Citrus x nobilis

[Synonyms : *Citrus reticulata x sinensis*]

TANGOR is a tree (an evergreen variety). It has reddish-orange fruit.

It is also known as *Citroník ušlechtilý* (Czech), *Citrónovník mandarínkový* (Slovak), Florida orange, King mandarin, King orange, King-of-Siam, King orange, and Mandarin.

Nobilis is Latin (known) meaning ‘notable, famous or excellent’.
