*Dulacia inopiflora*

[Synonyms : *Dulacia ovata*, *Liriosma inopiflora*, *Liriosma micrantha*, *Liriosma ovata*]

**MUIRA-PUAMA** is a tree. It is native to tropical South America (particularly Brazil).

The root wood is used as an aphrodisiac and tonic.

Medicinally muira-puama can be prescribed for the treatment of diarrhoea and impotence.
