Mentha x gracilis

[Synonyms : *Mentha cardiaca*, *Mentha gentilis*, *Mentha rubra*, *Mentha sativa* var. *gentilis*]

GINGER MINT is a perennial. Native to western Europe it has tiny, pink or lilac flowers. It is also known as *Ädelmynta* (Swedish), Bushy mint, *Edel-Minze* (German), *Hjärtansfröjd* (Swedish), *Máta jemná* (Czech), Redmint, Scotch mint, and Slender mint.

Gracilis is Latin (slender, graceful, thin, slim).
