*Narthecium*

*Nartheciaceae*

[*Liliaceae/Melanthiaceae*]

*Narthecium* is derived from the diminutive of Greek *narthex* (rod) meaning ‘small rod’.

Warning – animals, eg. cattle, sheep.

Bog asphodel *Narthecium ossifragum*

All parts of bog asphodel are potentially poisonous for animals, particularly sheep and cattle, and can cause kidney damage and photosensitivity.
