*Neotinea*

*Orchidaceae*

*Neotinea* commemorates a Sicilian botanist, Vincenzo Tineo (1791-1856) who was a professor of botany and a director of Palermo botanical garden from 1815-1836, then in 1838 he became chancellor of Palermo University. His published works include *Plantarum rariorum Siciliae* (1817) and (1846), and *Catalogus plantarum horti* (1827).
