*Pelargonium odoratissimum*

[Synonyms : *Geranium odoratissimum*]

**APPLE GERANIUM** is a perennial. Native to South Africa it has apple scented leaves and small red-veined, white flowers.

It is also known as *Apfelduftgeranie* (German), Apple pelargonium, Apple-scented geranium, Geranium (English, German), Nutmeg geranium, *Pelargónia viňavá* (Slovak), and *Rosengeranium* (German).

*Odeoratissimum* is derived from Latin *odor* (scent, smell, odour) meaning ‘very fragrant or highly scented’.
