*Senecio sylvaticus*

**HEATH GROUNDESEL** is an annual. Native to Europe it has dull yellow flowers.

It is also known as *Bergkorsört* (Swedish), *Creulys y Coed* (Welsh), Mountain groundsel, *Snichaon* (Channel Islander-Guernsey), *S'nichon* (Channel Islander-Jersey Norman-French), *Starček lesní* (Czech), *Wald-Greiskraut* (German), Wood groundsel, and Woodland ragwort.

*Sylvaticus* means ‘wild, of or from woods or forests’.
