*Verbena canadensis*

[Synonyms : *Buchnera canadensis*, *Glandularia canadensis*, *Verbena aubletia*, *Verbena drummondii*, *Verbena lambertii*]

**ROSE VERVAIN** is a perennial. Native to southern North America it has small pink (to blue or white) flowers.

It is also known as Creeping vervain, *Doftverbena* (Swedish), Large flowered vervain, Midland vervain, Rose verbena, and Verbena.

*Canadensis* means 'of or from Canada or north-eastern North America'.
